

Jerry Reed
Chief Commercial Officer
EVRAZ North America

Jerry Reed joined EVRAZ North America in 2011. In December 2019, he was named Chief Commercial Officer. In this role, Reed leads EVRAZ North America's commercial sales teams, and oversees the company's long-term market and sales strategy, new product development, and strategic customer and government relationships.

Previously, Reed served as Executive Vice President – Long Products, leading the company's rail, seamless pipe, and rod and bar business.

When he came to EVRAZ North America Reed served as Senior Vice President – Business Development and then completed a year-long assignment as the Chief Commercial and Business Development Officer for EVRAZ Highveld Steel and Vanadium in South Africa.

Prior to joining EVRAZ, Reed was Vice President – Commercial Management and Business Development at Century Aluminum Co. He also served as Director – Strategic Marketing for Alcoa.

Reed has a master's degree in business administration from the University of Pennsylvania's Wharton School, and a bachelor's degree in business and economics from Emory and Henry College. He is also a CPA.

About EVRAZ

EVRAZ North America (the "Company") is a wholly owned subsidiary of EVRAZ plc, one of the largest vertically integrated steel and mining businesses in the world. The Company is a leading North American producer of engineered steel products for rail, energy and industrial end markets. The Company has six production sites located in the USA (Portland, Oregon; Pueblo, Colorado) and Canada (Regina, Saskatchewan; Calgary, Camrose and Red Deer, Alberta).
